

PRIVACY POLICY

This privacy policy applies to all websites, domains, and applications managed or operated by GLORiant BELGIUM BVBA, established in 34 Coremansstraat, 2600 Berchem, Belgium, Co. Reg. No. 0464.168.358, and to all websites, domains, and applications managed or operated by XPOfleet B.V., established in 301-320 Riviumboulevard, 2909 LK Capelle aan den IJssel, the Netherlands, Co. Reg. No. 64218295 (hereinafter also referred to, jointly or individually, as “us” or “we”) and to websites and domains of our subsidiaries or companies linked to us.

We care about your privacy and always act in accordance with the provisions of the Belgian Privacy Act (Law of 8 December 1992 on the protection of privacy in relation to the processing of personal data) and the Dutch Personal Data Protection Act. Read this privacy policy to find out more about the way in which personal data is collected and processed on our website.

This privacy policy should be read in conjunction with our disclaimer XPOmobile (http://www.gloriantgroup.com/xpomobile_disclaimer.pdf), the XPOfleet user agreement and the general conditions of sale (http://www.gloriantgroup.com/algemene_voorwaarden.pdf).

1. **Processing of personal data**

By using this website and/or application and/or sharing your personal data, you expressly agree with the way in which we collect and process the personal data as described in this privacy policy.

1.1. **Aims of collection of personal data**

We use the data shared by you through the website or the application only to provide you with services, to deliver the requested information and data and in general to do everything to enter into and perform agreements.

1.2. **Types of personal data collected**

We collect your business data as described below to allow us to give you an optimal user experience.

Through this website or our software, the name, address, profession, job title and role, telephone number, company details, VAT number and e-mail address of every potential client may be collected, when these data are communicated upon sign-up to the website, when completing a contact form, or when placing an order.

We never collect sensitive personal data as described within the meaning of Article 6 to 8 of the Belgian Privacy Act.

The name and surname of the user, the number plate and the make or type of vehicle, the benefits in kind linked to that vehicle, the tax relief band, the duration of the leasing contract (provided in number of months and/or kilometres), the amount of kilometres, the average fuel use, the number of litres filled, the CO₂ emissions, any petrol cards, any damage, fines and amounts, the length of journeys for business and personal purposes, own contribution for private use of a company car and mobility budget related information may be shown through the mobile application. These data are shown based on the information provided by the client and/or the user.

Saving these data is necessary in order for our software to work properly.

These data may only be further processed, used, or added by us anonymously. Anonymised information is used only for statistical purposes and to improve the application.

Upon visiting the website or application, we also register your IP address, your browser and control system, the external website you have been redirected from, the pages searched by you and the date and time of your visit of each page. This information is used only for statistical purposes and to further improve the website or application.

1.3. Parties with access to personal data

The personal data obtained are not disclosed to third parties. We do however reserve the right to provide personal data to the competent authorities at their express request.

The anonymised data can be further processed by us or our subsidiaries or associated companies, or other natural or legal persons who act for us as subcontractors. These subcontractors have access only to the data that is strictly necessary for the performance of their tasks. Data shall not be processed in a country outside the European Economic Area (EEA).

2. Cookies

There are three types of cookies (small bits of information saved by the browser on your computer) used on this website:

One type is only of a temporary nature and is erased as soon as you close your browser. These cookies are used only to allow you to navigate the website.

A second type is used for us to provide a service, to be able to identify you on subsequent visits.

A third type is used by Google Analytics, to gather statistics on visits to the website. These cookies are managed by Google under the conditions of Google's privacy policy, which can be found on <http://www.google.com/privacy.html>.

You can turn off the use of cookies through the settings on your web browser, but it is possible that the website no longer works correctly.

3. Rights of the user

You have the right to ask us free of charge what personal data we hold and where necessary to ask us to correct it free of charge. You can exercise this right by contacting us by way of the contact details provided below on the condition that you provide sufficient identification. You also have the right to oppose the aforementioned processing of your personal data on request and free of charge if they are processed with a view to conducting direct marketing.

4. Amendments

We reserve the right to amend our privacy policy at any given time. The latest amendment to this privacy policy was on 15 February 2016.

5. Contact details

We are responsible for the processing of these personal data and oversee the confidentiality and safety of the data. You can contact us at the following address, 34 Coremansstraat, 2600 Berchem, Belgium, at sales@xpofleet.com or at +32 3 230 18 12.
